APPLICATION FOR CERTIFICATE OF AUTHORIZATION TO REPAIR BOILERS, ALTER BOILERS AND/OR REPAIR, SET AND SEAL SAFETY APPLIANCES

Upon TDLR processing of this application, an invoice for the \$1,700.00 Special Inspection fee will be generated. This fee must be paid before this review will be scheduled.

As the owner/operator, I attest that I can **repair boilers** **alter boilers** **repair and alter boilers,**
repair, set and seal safety relief valves covered by the Texas Boiler Law and Rules and I am prepared to demonstrate this activity within the following scope.

Location: Shop Field Shop and Field

ASME Code Section(s) I IV VIII, Div. 1 and make application for:

initial issuance renewal of the owner/operator Certificate of Authorization.

Special Processes: (For safety relief valves only) Machining Welding

Test Media: (For safety relief valves only) Air Gas Steam Liquid

In consideration of receipt of the owner/operator Certificate of Authorization, we hereby agree that the Certificate shall be used exclusively for boilers encompassed by the Texas Boiler Law at the locations listed below. Further, it is agreed that the Chief Inspector or his designated representative may make audits or unannounced visits as necessary to assure compliance with the requirements of the Texas Boiler Law and associated rules.
