The tax is three percent of the gross receipts obtained from the sale of tickets to the event, plus three percent of gross receipts received from sales of broadcast rights or \$30,000, whichever is less. A person on whom a tax is imposed under Section 2052.151, not later than three business days after the end of the event or telecast for which the tax is due, shall submit to the department a verified report on a form acceptable to the department stating: the number of tickets sold to the event; the ticket prices charged; the gross price charged for the sale or lease of broadcasting, television, and motion picture rights without any deductions for commissions, brokerage fees, distribution fees, advertising, or other expenses or charges; and the amount of gross receipts obtained from the event. The person shall attach to the report a cashier's check, check, or money order payable to this state in the amount of the tax imposed on the event covered by the report. The department may audit a report filed under 2052.152, Subsection (b). | | | | | |
